St. Maria Faustina Kowalska (born in Poland on August 25, 1905) joined the Congregation of the Sisters of Our Lady of Mercy in 1925. Over the course of several years she had visions of Jesus, whereby she was directed to create an image and to share with the world revelations of Jesus' love and mercy.

With the help of her spiritual director, Fr. Sopocko, she found a painter to fulfill the request Jesus had made to her in one of the visions – to "paint an image according to the pattern you see, with the signature: Jesus, I trust in You" – In 1934 the painter Eugene Kazimierowski created the original Divine Mercy painting under St. Faustina's direction.

Sister Maria Faustina died of tuberculosis in Krakow, Poland on October 5, 1938 at the age of 33. Pope John Paul II beatified her in 1993, and canonized her seven years later.

Wounded by God: Redemptive Healing in Christ and His Church

The Bible describes God as wounding us (e.g. Job 5 and Hosea 6). Such language seems shocking, but why does God wound us? God does so in order that He might heal us.

When we, sinners as we are, wound others we do so in order to harm, but not so with God. God wounds us so that He might fill those wounds with His healing and redemptive love. The way to salvation is paved by the wood of the Cross. Join us for a deep dive into the Bible as we explore wounds, healing, and redemption.

Celebrate Recovery

We have admitted our lives were out of control and unmanageable, and we came to believe that God could restore us. Yet still, we can still be stuck in the cycle of failure that keeps us bound by guilt, anger, fear, and depression. This week we are going to see how to get “unstuck” by taking ACTION.

How do we get past those old familiar negative barriers of pride, fear, guilt, worry, and doubt—those barriers that keep us from taking this step? We choose to commit to God’s will and control, and making that choice requires ACTION.

Join us every **Tuesday—at 7 p.m. in the Sacred Heart Social Hall.**

Experience a safe and welcoming place.
