

Hello, my name is Elizabeth Williamson and I am interested in representing you on the St. Patrick Catholic Church Parish Council. I have been a registered parishioner of St. Patrick's for over 10 years. I attend Mass with my husband, Richard, and our two daughters, Veronica and Theresa. Richard currently serves our country in the Army National Guard and also works as a civilian on RAFB. Veronica and Theresa attend elementary school at Sacred Heart Catholic School. I am a homemaker and active volunteer in our community. My most recent work outside the home is for Sacred Heart Catholic School. After years of volunteering in different roles,

I was elected President of the Home and School Association and have served in this role for the last two years. As part of my commitment to this position, I also served on the School Advisory Board. As President, I helped update our bylaws, increased participation and leadership service, organized school wide events and performed daily tasks to support the school and community.

I would love the opportunity to support my home church by serving Parish Council. I'd love to be able to use my volunteer skills to give back to the church that has given so much to me and my family. The St. Patrick's community has consistently surrounded me with prayer, love and support for years. You all are my village. Both of my children have been baptized here. You have helped me raise my children, from catching dropped toys between seats, to making us feel safe and welcome as we navigated my youngest's rare diagnosis. You've given us the world's best VBS and Fall Festivals (don't tell SH I said that). You comforted me when my husband deployed for the umpteenth time. When we're were homebound, you brought me Communion and compassion. You comforted me when my mother was diagnosed with cancer and we fought it with prayer, together. It would be my honor to give back, in one small way, as one of your Parish Council representatives.

Thank you for your consideration,  
Elizabeth Williamson
